## Draw Tickets

Selling draw tickets is a popular and accepted method used by large and small organisations to raise funds.

Purchasing draw tickets is accepted widely as a means of contributing to a cause, charity or as a means of supporting a school, club or local event.

Raising funds by organising a draw is acceptable throughout the year, i.e. Summer Fair, Gala, School event, Club event, Open day, Sporting event, Easter, Christmas etc.

Organising a draw is relatively simple but some simple formalities must be observed. Please read the Legal requirements section at the back of this brochure.

All our draw tickets are printed in **coloured** ink on a good quality (75-80gsm) white paper with double perforation at no extra cost and numbered in red. Our standard ticket size is 210mm x 95mm, our 'long' ticket is 297mm x 95mm. We can supply draw tickets on coloured paper for an additional charge, please contact us for the colours available.

We have a selection of seasonal logos that can be printed on the tickets or we can use your own logo if supplied. If you have a 'theme' we also have additional logos that may be suitable, please contact us for details.

Why not get a local sponsor to advertise on the draw ticket to reduce or even eliminate your costs. We can print their details on the back of the draw ticket or on the front. See samples for an example of a ticket with an advert on the front. We can even print their logo (in a single colour) at no extra charge.

Our orders are processed and despatched within 14 working days (7 working days for Priority Service) on receipt or approval of proof and sent with a national carrier at the delivery service you require.

Check our price list for full details of all the options available.

## 2011 Draw Ticket Price List

**Please note** that our prices are based on the number of tickets supplied and not books.

## Legal requirements

### Gambling Act 2005: Small Society Lottery Requirements (Summary)

- It is an offence to sell tickets that do not comply with the legal requirements.
- When tickets are sold to the general public the organisation running the draw must be registered with the relevant Local Authority in who's area its principal office is situated.
- The total value of tickets on sale per single lottery must not be more than £20,000 or the total value of tickets on sale for a calendar year must not exceed £250,000, if these limits are to be exceeded the organisation must be licensed by the Gambling Commission as a large lottery.
- Every ticket must cost the same, it is illegal to offer 'free' tickets.
- Tickets can only be sold by persons over the age for 16 to persons over the age of 16.
- Tickets should not be sold in the street, but may be sold from a kiosk, in a shop or door to door.
- Registered charities are legally required to state they are "A Registered Charity" or include their Charity Registration Number on the ticket.
- Each ticket must specify:
  - The name of the organisation running the draw
  - Price of the ticket (which must be the same for all tickets)
  - Name and address of the promoter
  - The date of the draw, or information which enables the date to be determined

For more information on how to register etc. please contact your local authority.

## *Covers*

These have been specifically designed to enable you to advertise your event. They are glued onto the front of each book of draw tickets, with a perforation at the left hand edge, the same as on the tickets, so that they can be easily detached and used as a car or window sticker.

We can produce them for both our standard and 'long' ticket and have a selection of designs for you to choose from or of course you can supply your own design. We print them in two colours, with the image in one colour and any text in a different colour. There is a sample enclosed.

Although our idea is for advertising your event, they can also be used as a gift aid declaration for charities.
